Dear Families,

We have had a smooth beginning to the new school year at St Mary’s and the children have settled very well into their new classrooms. On Tuesday we had parent information sessions for children in Kindergarten to Year 2 and tonight (Thursday Feb 4) we have information sessions for the children in Years 3 – 6. I wish to thank the teachers for their work in preparing for these evenings and also to the parents who come along to support the children.

Swimming Carnival
Congratulations to all involved in the swimming carnival held in perfect weather conditions yesterday. The children enjoyed the day and all children were able to enter the water at some stage for a swim. Thank you to the parents who assisted with set up, time keeping and assisting the children; the children enjoyed seeing you there. My thanks also to the staff and in particular to Justin Bateman for the work in setting up for the day.

Lent
Lent begins next Wednesday on Ash Wednesday. On Tuesday (Pancake day) there is a meeting of families of children who are receiving Confirmation this year. The meeting will be in the PAC at 6pm.

Prayers
As mentioned previously, we shall have a funeral in the church today to celebrate the life of Eddie Challenger. Eddie was a great supporter of St Mary’s through his work at the Pines Retreat Centre at Tuross. Please keep the Brady family in your prayers this week.

Library Books
The stocktake is completed and we have found that the library is missing a large number of books. Could I ask that families have a look through the book shelves at home and in bedrooms to see if you are able to locate any St Mary’s School Library Books that are marked with the school stamp and barcode.

Trivia Night
On Thursday evening February 18 at 7.15pm, we are holding a Trivia Night at St Mary’s to support the Hazell family through the rehabilitation phase following Sarah’s accident. Annette is our front office manager and Sarah is an ex-student of St Mary’s. Sarah will require ongoing treatment in Melbourne and Canberra over the coming months. Sarah is recovering well at this stage. The Trivia Night is an adult only evening and the cost of a ticket is $10 with tables of 10. You can make an individual booking and we can find you a table or book as a whole group.

Blue Forms
Two important blue forms need to be completed and returned. The first one is an internet users’ agreement that needs to be read with your child, signed and returned to school. The second is a note that will go home next week showing family contact details. This needs to be amended if required and returned to school.

Events Working Party
Each year a dedicated group of parents meet to organise fundraising events for the school during the year. We are looking for some interested parents with great ideas and enthusiasm to come along to school next Tuesday evening to plan for activities for the school year. Some great ideas last year included a family movie night, bike a thon and a night of slip and slide and jumping castles as well as Fathers’ Day and Mothers’ Day celebrations. We would love some more parents to be involved. Our planning meeting will be held in the staff room next Tuesday evening February 9 at 5.00pm until 6.00pm. All are most welcome.

Best wishes
Mick Lowe, Principal
Religion News

A very warm welcome back to St Mary’s for all our families and special greetings to new families starting this year. Term 1 is going to be a very busy term once again with the season of Lent beginning next week and the Sacrament of Confirmation being celebrated this term.

Sunday’s Gospel Reading
In Sunday’s Gospel, Jesus teaches from Simon’s boat. Jesus turns to Simon and instructs him about where to lower the fishing nets. Simon and others have been fishing throughout the night and have not caught anything. Simon protests, claiming that such an effort would be futile. He then obeys Jesus and lowers his nets into the deeper water as directed. Peter calls Jesus by the title “master.” He already recognizes Jesus as a person of authority. They catch so many fish that the nets begin to tear.

Simon Peter becomes a follower of Jesus immediately. He calls Jesus “Lord”—the title given to Jesus after his Resurrection. Today’s Gospel, therefore, marks a turning point in the relationship between Jesus and Peter. Jesus’ words are addressed only to Simon. Jesus gives Simon a new job, telling him that he will become a different kind of fisherman. No longer will he catch fish; instead he will catch people. In these words, we hear the beginning of the leadership role that Peter will have within the community of disciples. Peter was chosen for this role. His task will be to bring others to Jesus. Already he is doing so; the Gospel tells us that all the fishermen with Peter also left their nets and followed Jesus. We continue to speak of Peter’s leadership and influence in the Church today when we call the Pope the “successor of Peter.” We participate in the mission of the Church when we bring people to Christ through the example and positive influence of our lives.

Confirmation Enrolment Night
Students in Year 6 who are making their Confirmation this term and their parents are asked to attend a meeting next Tuesday 9 February at 6pm in the PAC. Tuesday is also Pancake Day so a “pancake” supper will be available for all who attend this meeting. Father John will lead the meeting with details about receiving the Sacrament as well as the expectations of students.

Ash Wednesday
We will attend our first whole school Mass next Wednesday 10 February at 9.15am in the Church. This is the Ash Wednesday Mass which marks the beginning of Lent. On Ash Wednesday people receive ashes in the form of a cross on their foreheads. The person who distributes the ashes makes the Sign of the Cross on the forehead. The ashes are made of the palm remaining from the previous year’s Palm Sunday of the Lord’s Passion.

Continuing the Sacramental Journey
We invite parents and carers who wish to continue their child’s Sacramental journey to come along to the enrolment days for the various Sacraments. The dates are as follows:
    Confirmation enrolment: 9th February
    Reconciliation enrolment: 11th May
    First Eucharist enrolment: 26th July

Please contact Rachel at the Sacred Heart Catholic Church office on 44742024 or email moruya@cg.org.au for more information.
Welcome to 2016
A very big cheerful welcome to all our new and continuing families. We would also like to extend a very warm and heartfelt welcome to our Kinder families and our 3 new families with children in years 1-6. We hope you will enjoy the special spirit that is St Mary’s and settle in very quickly to our caring community.

A Big Thanks…
Thank you to all our parents who attended the Parent Information Night on Tuesday and for those attending tonight. It was a very informative evening and a lovely opportunity to get together and hear about the wonderful learning opportunities, procedures and events we can all look forward to in 2016.
Thank you to the staff for hosting the Parent Information sessions in such a professional and communicative way. If you were unable to attend, all handouts are available from the Skoolbag App or please ask your child’s teacher for a copy.

Curriculum Notes
Curriculum notes were handed out at the Parent Information Evenings. Curriculum notes outline the subjects in each Key Learning Area (KLA), that will be studied for the term. It also outlines housekeeping information such as class Library day, sports uniform days and homework expectations. If you were unable to attend, all notes have been placed on the Skoolbag App under your child’s class level.

Our First Get Together for 2016...... TRIVIA NIGHT
Our first get together for 2016 is a very special school fundraiser TRIVIA NIGHT. A great night full of trivia, fun and entertainment is planned for all. So come along, organise a table of 10 and be prepared to enjoy yourself!
It will be held on Thursday 18 February in the Performing Arts Centre at $10 per head or $100 per table. The night is to raise funds for our much loved Mrs Hazell and her beautiful daughter Sarah who is undergoing intense rehabilitation after her accident at the end of last year. Please show your support and join us for this wonderful and worthwhile event.

Opening School Mass
Last Friday we celebrated our Opening School Mass. Our Year 6 Leadership Team, SRC members and Mini Vinnies representatives were given a special blessing and received their badges. Thank you to Mrs Croese for organising such a lovely Mass and a special mention must go to Mrs Karen Hadley, Mrs Fran Devonald and Mr Andrew Craft for the music and singing.

Our Year 6 Leaders are:
School Captains: Grace R and Huon Du F
Vice Captains: Charlotte Q and Max M
Christian Leaders: Madeline H and Nathaniel T
Eyre Captains: Bernie L and Madeleine W

Primary Swimming Carnival
Congratulations to all the students who displayed excellent sportsmanship and team spirit yesterday at the Swimming Carnival. *(Photos will be in next weeks’ newsletter).* All ribbons, trophies and awards will be handed out at Monday’s Awards Assembly. We will also find out which team won the shield for 2016!! A very big thank you must go to our Sports Coordinator, Mr Justin Bateman on a well-run carnival. The day went without a hitch! Thank you to all our parent and staff volunteers, the day could not go ahead without your assistance. My final congratulations must go to the Parent Relay team. Well done on your very gracious victory. Please note that the staff relay team are hot on your heels. I hope you have started training for next year already!

Car Park
We would like to remind everyone about car parking procedures. The car park near the police station at the front of the school is for dropping off in the morning and staff car parking ONLY. This is not an afternoon pick up point. For afternoon pick up, families are asked to park in the church car park or surrounding streets and use the children’s crossings and walk through to collect their children from the benches under the shelter. This is where teachers are supervising children. Please do not double-park in the church car park. Thank you for your understanding.

Important Bus Travel Information
Transport NSW requires all children who are in Year 3 and who travel on a bus to complete a new bus application form. Students in Year 3 are taken off the School Student Transport Scheme until the bus companies receive the new application form. At this age they are deemed to be Primary students rather than Infants.

Computer Use Agreement
This week a blue form regarding student’s use of the internet/ computers at St Mary’s has been sent home. Please read through this form very carefully with your child/ren. It is a contract that identifies to us that you and your child/ren understand the St Mary’s Acceptable User Agreement. Your child/ren must sign this contract and have it witnessed by a parent/guardian. Remember that there are two sides of the form that must be completed. If you have any questions regarding any of the statements on the form, please don’t hesitate to ask. Please return the agreement to your child’s teacher as soon as possible.

Communication
Effective communication is essential between home and school and we would like all parents to take a few minutes to ensure that the lines are open.
- Skoolbag App - have you downloaded it onto your phone and/or iPad?
- Contact details - please if you have moved, changed phone number or email address, let us know as soon as possible so that we can update our records.
- Email Addresses - please ensure we have your email address especially for receiving our school e-newsletter.
- Please ensure emergency contact details are up to date too.

Wishing God’s best for you,
Catrina Niddrie
Assistant Principal
How To Install Skoolbag On Your Smartphone

Girls' Summer Uniform

The 3 year phase-out period for the maroon culottes has finished. At the end of last year we informed families of a new summer uniform option for our girls. We are pleased to let you know that the maroon gabardine skorts are now available to purchase from Hip Pocket in Batemans Bay.

For your convenience, it is possible to order and pay for school uniforms over the phone (Tel: Hip Pocket on 4472 6990) and they will be delivered to the school office for collection. The cost of the new skort is $24.95 and it is available in sizes 2, 3, 4, 6, 8, 10, 12, 14 and 16.

Summer uniform choices:
(Both are to be worn with white ankle socks and black school shoes.)
Choice 1: Girls’ maroon and white checked summer dress
Choice 2: Blue St Mary’s polo shirt with maroon gabardine skort (pictured right)

It is important to note that families DO NOT have to purchase BOTH uniforms. However, a CHOICE of what to wear is now available.

Uniforms available at:
Hip Pocket Batemans Bay

Uniform Pool

Our wonderful volunteers Helen and Leo Kop run a second-hand uniform pool on Monday afternoons from 2-2.30pm (in the school hall before assembly). Items are available for a gold coin donation. The uniform pool is an invaluable service to our families, and relies on donations. Do you have any items at home that your child/ren have grown out of? Your generosity would be very much appreciated!

Do you have uniform items to donate?
Your help would be very much appreciated!

Piano Tuition

Marina Bell A.Mus.A, L.Mus.A

Marina is a highly qualified teacher with over 30 years experience. She currently tutors students privately at St Mary’s, achieving top results in exam and music festivals. Contact Marina on 44727143 or email marinabell07@yahoo.com.au if you are interested in your child being tutored.

No Pick up Zone Reminder

The staff carpark is not a designated afternoon drive thru pick up zone. It raises many safety concerns with unsupervised children around moving vehicles. Parents are not to use it as a collection point for children at the end of a school day.
Welcome back to 2016. Already the sporting year is off to a busy start. Students have competed in our annual swimming carnival with successful competitors making it on to represent St Mary’s School at the Southern Region Swimming Carnival. Some important events and dates for 1st Term are as follows:

**Archdiocesan Summer Trials – Friday 12 February**
Students interested in trialing for one of the Canberra Goulburn Archdiocesan Representative Teams in the following sports – basketball, tennis, cricket, AFL and softball, are asked to see Mr. Bateman. Students entering these trials will need to make their own way to the venues. Nominations forms must be returned to Mr. Bateman by **Friday 5 February**.
As these are representative trials students will need to have prior experience in their sport and be able to compete at a representative level. If students attend these trials they must be available for selection in all subsequent teams.

**Southern Region Swimming Carnival – Tuesday 16 February**
This swimming carnival is to be held on Tuesday 16 February at the Narooma Swimming Centre. A note will be sent home with those students who were successful in making it through to represent the St Mary’s swimming team at the carnival. **Parent help is always appreciated at these events and if you are able to assist on this day as a starter, timekeeper or place judge please let Mr. Bateman know.**

**Brumbies Rugby Clinics – Friday 12 February (5 week program)**
The ACT Brumbies will be conducting a 5 week program called “Game On” commencing Friday 12 February. The Game On programs are interactive, fun and promote fair play, diversity and inclusion. Students from Years 3-6 will participate in the program.

**Hot shots and tennis lessons**
The Moruya and Broulee tennis clubs are running their Hot Shots tennis program and tennis tuition for Term 1. They would like to offer students a complimentary session in their Hot Shots or tennis tuition programs. Simply call their number and mention St Mary’s to redeem this offer. Please contact Richard Sellick on 0414 753 941 or email rsellick@bigpond.com

**Crunch&Sip**
Crunch&Sip (fruit break) is a set break for students to eat fruit or salad vegetables and drink water in the classroom. St Mary’s students stop for a break within the literacy block (approximately 10am) each morning to rehydrate and eat a healthy snack. There are many health benefits of Crunch&Sip. Thank you for ensuring that your child is prepared for this break each day.
Week 2 Class Awards

To be presented at assembly: 2.30pm, Monday 8 February.

Congratulations to the following children who received class awards this week. It is great to see so many children working hard and receiving acknowledgment for their efforts - well done to all!

10 confidence-building strategies every parent and teacher should know

Instilling confidence takes more than heaping praise on kids. Here are 10 practical confidence-building strategies for parents and teachers of children and young people.

Children with healthy self-esteem and self-confidence learn more, achieve more and are generally happier than those with low confidence levels. Building children’s and young people’s confidence is complex. It’s more than being a praise robot and heaping positive comments on a child at the first sign of them doing something well. Confidence building requires a number of approaches that impact on how they think, how they feel and what they can do.

Here are ten practical strategies that you can use to build real self-confidence in kids of all ages:

1. Model confident thinking
   Kids soak up the language, thinking and behaviour of those closest to them in their environment. Parents and teachers play a part in modelling confident thinking and behaviour particularly when it comes to tackling new activities. In particular, let kids hear positive self-talk when you tackle something new. They should hear something like, “I'll have a go at this. If I don’t do so well then I can try again tomorrow.” This is far more effective than “I’m no good at this. I’ll probably stuff it up.”

2. Focus on effort & improvement
   Current thinking shows that people who believe that they can increase their intelligence through effort and challenge actually get smarter and do better in school, work, and life over time. One way to develop a growth mindset is to focus your language on effort and improvement rather than on the results of what they do. By linking success with effort you are teaching them success comes from something other than purely their ability, talents or smarts.

3. Praise strategy
   While effort is key for achievement, it’s not the only thing. Kids need to try new strategies and seek input from others when they're stuck. They need this repertoire of approaches – not just sheer effort – to learn and improve. It helps too to focus language on better and smarter ways on improving. Comments such as “That was a smart idea to tackle the hardest task while you were fresh!” (strategy) and “You recognised the first few steps were the most important but then after that you were right” are descriptive statements that have significant instructional value for kids.

4. Develop self-help skills from an early age
   A child’s self-esteem comes as a result of his or her successes and accomplishments. The most important competencies to build confidence are basic self-help skills. These form the building blocks upon which other competencies such as organisational skills and many social skills are formed.

5. Give them real responsibility
   From a young age start giving children responsibility for some aspects of their lives. By giving kids responsibility we are sending a powerful message that we think they are capable. Also they are learning the skills necessary to care for themselves.

6. Practise unconditional acceptance
   Your ability to accept children and young people’s best efforts in any area of endeavour, irrespective of the results, will go a long way toward determining their self-esteem and confidence.

If a child makes their bed to the very best of their ability, resist fixing it, even though it may fall short of your adult standards. Instead remind them next time of how to do it well.

7 Expand their horizons
Some kids are confident and capable at home but are fearful and nervous when it comes to new social situations and unfamiliar environments. Children today have less opportunity than those in the past to negotiate and explore unpredictable situations. Wherever possible look for opportunities to expand children’s horizons to include unfamiliar places and unfamiliar locations including catching public transport and walking to friends’ places unattended when capable.

8 Recognise improvement
Focus your comments on children’s effort and improvement rather than on winning the game or getting top marks. Help kids set realistic goals in line with their capabilities and interests. Learning five new spelling words a week maybe more realistic than 20 words that school may require.

9 Put the training wheels on to support learning
Putting training wheels on a bike is a great way to teach a young child to ride. They keep them upright and mobile while they are getting the knack of balancing. We can use the same principle to support kids learning while they develop independence in many areas of life. For instance, we can accompany anxious kids to birthday parties and stay for a short time so they become comfortable before leaving.

10 Build teaching and training into your day
Teaching and training needs to be part of the every day repertoire of a parent. This means we need to add a little extra time to many of our interactions so we can help children acquire many of the basic skills of living, whether it is a young child learning to do up his or her shoelaces or a teenager learning how to fill out his or her tax form for a part-time job. When adults are busy it is often easier to do things ourselves.

Ask children for help
Doing things together is a great way to build competency and build the confidence that mastery brings. A simple way to initiate joint activity is to ask your child or young person to give you a hand with something. Better still, get them to teach you or show you how to do something you are unfamiliar with. Being a teacher rather than the learner is a great confidence-builder particularly for those kids who struggle with activities that others find easy.

Most importantly, great parents and teachers have a knack of communicating confidence in kids. They find ways to let kids know that they believe in them – that they know their kids will perform and succeed, that they have faith that they can deal with life’s challenges and know that they can become more independent.
